

POTTI SRIRAMULU COLLEGE OF ENGG & TECH, KOTHAPET, VIJAYAWADA

Departments

ECECSE
EEE
ITMBA

Courses Offered

The college is offering the Graduate of Engineering in totally FOUR disciplines. They are Computer Science and Engineering, Electronics and Communications Engineering, Electrical and Electronics Engineering and Information Technology. All the branches are having an intake of 60 students each.

Electronics & Communications Engineering

Engineering is a profession that uses science, mathematics, computers and other technologies coupled with problem solving skills to design, construct, develop, analyze and maintain products, services, and information systems. These engineers are employed in communications, aerospace, computer, electrical power, medical, semiconductor, and consumer electronic industries. They also play crucial roles in major emerging technologies, such as wireless internet, optical communications; and mapping of the human genome. Diversity and flexibility are the words that best describe them.
